

Chador Malu Mining and Industrial Certified Co. (Established in 1992)

Central Office :

Address: No.56, Esfandyar Blvd.,Vali-e
Asr,Tehran, Iran

Post Code: 19686-5647

Tel: +98 21 88882858, +98 21 88883102

Auto Tel: +98 21 88889535, +98 21 88889536

Fax: +98 21 88775935

Mine :

Address: 180km Tabas Road, Yazd, Iran

Tel: +98 351 7249191

Fax: +98 351 7249144

Iron and Steel Complex :

Address: 25km Ardakan-Naeen Road, Yazd, Iran

Tel: +98 352 7231120

Fax: +98 352 7231122

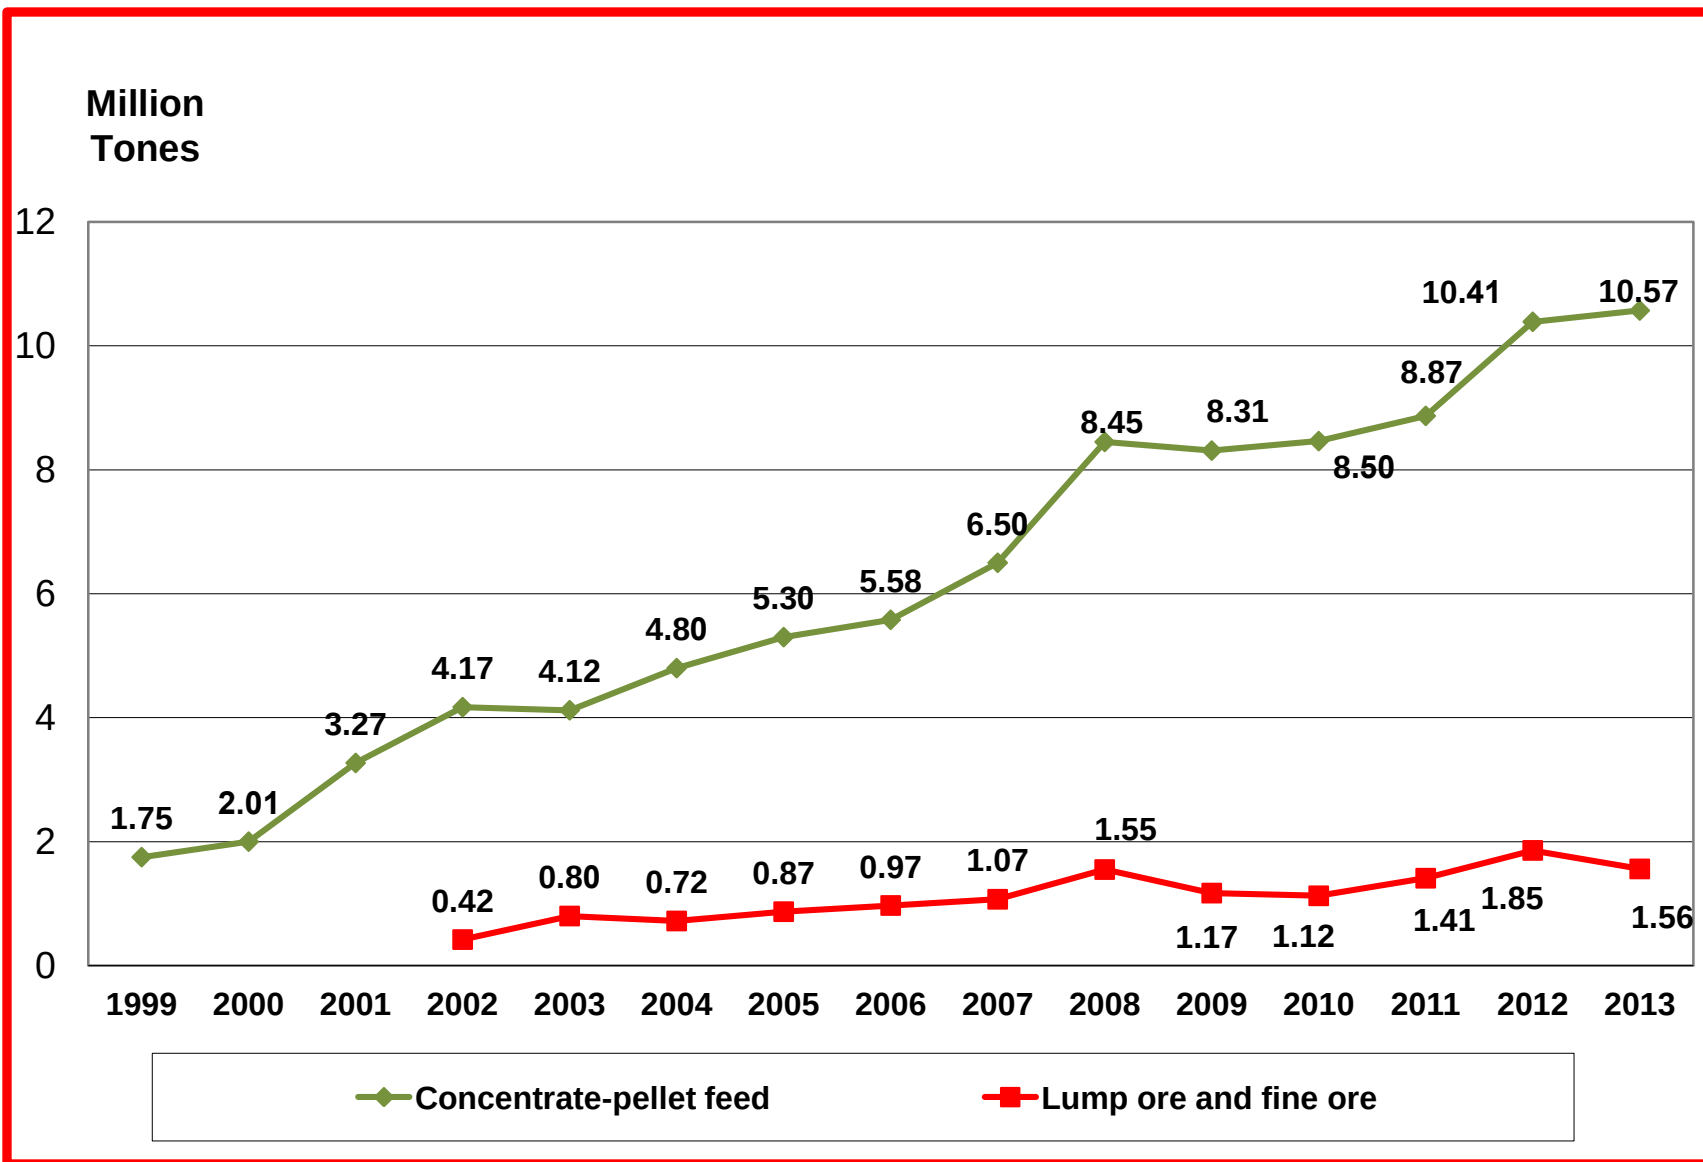

Mine Specifications:

- Geological Deposit :
400 Million tones
- Minalable Ore :
320 Million tones
- Annual Extractive
Capacity :
16 Million tones
- Fe. Content :
55.3%

شرکت معدنی و صنعتی چادرملو
CHADORMALU
MINING AND INDUSTRIAL CO.

Annual Production of Concentrate-Pellet Feed , Lump and Fine Ore During Last 14 Years

Finished Plants:

➤ Beneficiation Plants

Annual Capacity : 10,500,000 Tones

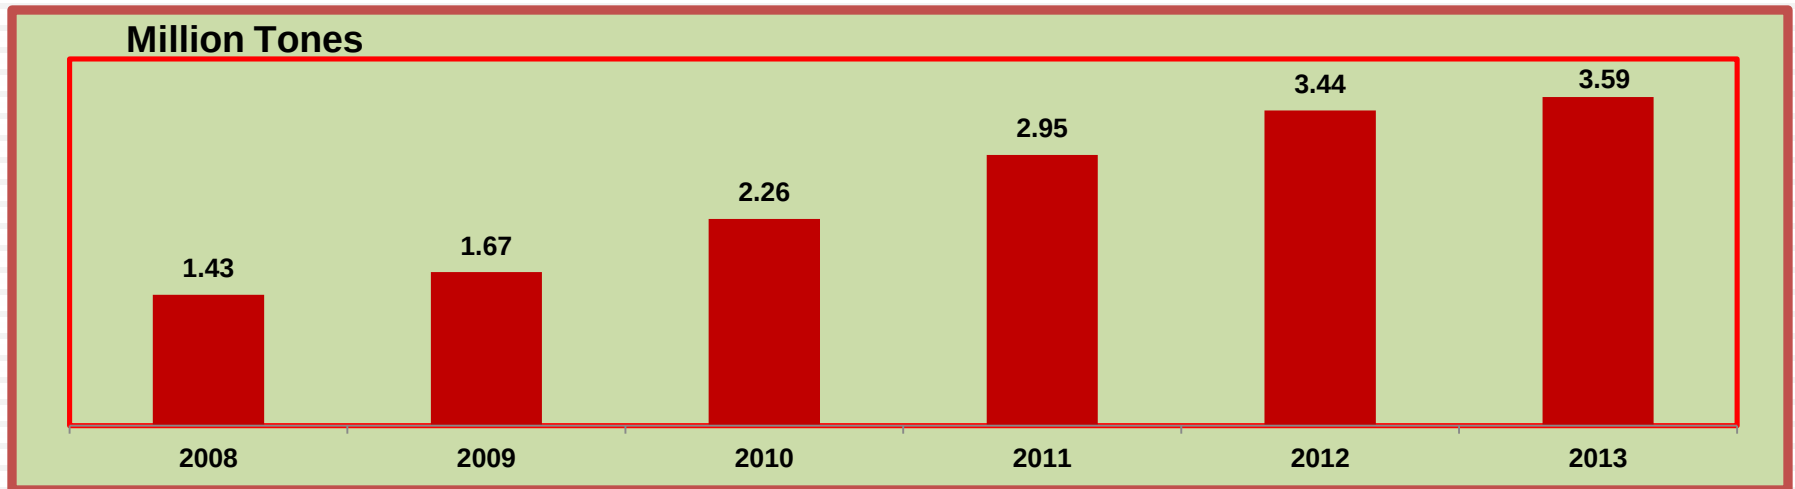

Finished Plants:

➤ Ardakan Pelletizing Plant

**Annual Capacity : 3,400,000
Tones**

Annual Production

Participation in other Steel Plants:

➤ Ghadir Iron and Steel

Product : DRI

Nominal Capacity : 800,000 Tones

Company's Share : 30%

Participation in other Steel Plants:

➤ Arfa Iron and Steel

Product : DRI, Bloom & Billet

Nominal Capacity :

800,000 Tones DRI and

800,000 Tones Billet

Company's Share : 39%

Under Progress Plants:

➤ Hot DRI plant

Capacity :

1,550,000 tones DRI

Estimated Finished

Date :

Spring 2016

Total Progress :

16.2%

Under Progress Plants:

Under Progress Plants:

➤ Steel Making Plant

Capacity :

1,000,000 Tones

Billet

Estimated Finished Date :

Spring 2015

Total Progress :

85.8%

Under Progress Plants:

Under Progress Plants:

➤ Combined Cycle Power Plant

Capacity :

500 MW

Estimated Finished Date :
2014

Summer

Total Progress :

51.5%

Under Progress Plants:

➤ **Capacity Enhancement of pelletizing plant from 3.4 to 4 Million tones**

Estimated Finished Date :

Winter 2016

Total Progress :

7%

Investment in Other Projects:

➤ **Abarkouh Steel Making & Rolling Mill Plant**

Capacity :

Billet : **600,000**
tones

Rebars : **500,000**
tones

Company's Share : **30%**

➤ **W. T. Engineering Building**

Future Projects:

➤ **New Pelletizing Plant**

Nominal Capacity : 3,400,000
tones

Start Date : Spring 2015

➤ **Rolling Mill Plants**

Nominal capacity : 1,100,000
tones

Start Date : Spring 2015

Total Investment for Development Plants:

1031.3 Million USD

USD 1031.3 Million
