Dear Sir,

We hereby would like to introduce our company as one of the three major suppliers of Equipment and Plants for the Steel Industry Worldwide.

We herewith enclose a visual reference of our range of products covering any kind of activity in the steel business from iron ore mine, pelletizing plants, blast furnaces, Electric Arc Furnace, Hot and Cold strip mills, Long product rolling mills and so on.

In the Arab Countries we have achieved a leadership position as suppliers of equipments due to an excellent ratio between quality and prices.

Please feel free to call us for any information or quotation you may require on our plants and products.

Our regional office in Abu Dhabi will be pleased to answer your questions and/or fix a meeting at your earliest convenience.

Best regards

Danieli & C. Officine Meccaniche S.p.A
