

NIRMAL OVERSEAS LTD.

(Govt. Recognized Export Manufacturer)

M/s Nirmal Overseas Ltd., a premier engineering company based in Delhi is a manufacturer and a pioneered engineering company for complete machinery for steel tube and pipe industry.

Nirmal was established in 1983 and started to manufacture and inventor of a wide range of HF / RF Tube Welders. These Welders are available in output powers from 60 kW to 1000 kW at a standard frequency of 250-500 kHz.

It entered into technical collaboration with **M/s ALIENTECH LTD., U.K.** We manufactures induction heater which is a unique job handling mechanical unit associated with HF induction heating electronic equipment which are available in various output ranges from 5 KW to 1000 KW at a standard frequency.

Nirmal supplied about 15000 HF / RF Tube Welders to the Domestic Tube industry and Exported also. As a measure of technological up gradation, these welders are now attached with Programmable Logic Control (PLC) with an expansion unit for better machines control, Process Control and net working to optimize its capability. Monitoring unit attached with PLC will display the fault with a flickering on the screen. A PLC has also been attached for optimizing the input / output capability of its application.

Through Continuous R&D of Nirmal team members then soon after manufacturing of HF Welders, we started to supply complete Trunk projects for steel tube industry.

It Entered into Technical collaboration with **M/s MANNESMAN DEMAG., GERMANY.** We manufacturers Tube Mills up to 20" DIA which are high speed automatic continuous running that produce the wider range of quality steel tubes and pipes. In addition the company offers other machineries viz. Slitting, Threading, End-facing, Galvanizing Plant, Hydro testing and Cut to Length.

During the last 30 years, NIRMAL has emerged as a leader in manufacturing of Tube Mills and other allied machineries and equipments and it has developed a new process of designing engineering, manufacturing and installing the equipments.

Nirmal undertook construction of several Tube mill Projects on Turnkey basis both in domestic and International market. Recently Nirmal has secured a prestigious order for supply and erection and commissioning of three tube mills of ½ “ to 3”, 3” to 8” and 8” to 16” with slitting lines and other connected machineries to be completed in a record time of one yr. NIRMAL has now capability of providing complete consultancy services for tube Mill projects and turnkey projects for manufacturing all types of Steel Tubes and Pipes.

NIRMAL has set up an Industrial unit at **NOIDA EXPORT PROCESSING ZONE**, Which has started its commercial production in March 1998. Already several foreign customers from different countries visited the unit and expressed satisfaction about its quality product. NIRMAL has received export orders.

For growth and expansion, NIRMAL has set up in-house R&D unit to update the technology and to effect improvements in the manufacturing process. It has initiated steps to acquire ISO 9001:2008 certification, which is expected in a short time.

In order to promote its product and create awareness among the customers, NIRMAL participated in the Exhibition held at National as well as international level. Some of the Exhibition are; Intex India, 1995; India Expo 96, Dubai; India Tech 1998, Kenya, Autumn Trade Fair 1999, Dubai, Dusseldorf at Germany.

ACHIEVEMENTS

- ✚ Trunkey Projects successfully executed in Syria, Egypt, Saudi Arabia, Sudan, Yemen, Bangladesh, Turkey, and many more. Exported more than 50 pipe projects worldwide.
- ✚ Over last three decades there are several satisfied customer running the plants breakdown free.
- ✚ First Indian Company to make High frequency welder in India 30 years back.
- ✚ Awards received from Prime minister of India for the top 7 in Steel tube industry.
- ✚ Our Machines has two year warranty, and completely breakdown free.
- ✚ Based in Noida Export Processing zone (a govt. Recognized export house)
- ✚ 90% of the tube makers are using our products and machinery.
- ✚ Asia Biggest plant of capacity 1000KW supplied.
- ✚ Supplied 20” tube mill projects in four states.
- ✚ Dispatched more than 2000 machines all over the world.
- ✚ References all over the world.
- ✚ Quality as per international standard.
- ✚ Our brand Name ‘NIRMAL’ is itself a milestone in this line.
- ✚ Participation in Industrial Exhibition in Dubai, Dusseldorf and more.

MANUFACTURING MACHINERIES

- SLITTING LINE
 - CUT TO LENGTH
 - TUBE MILL FOR MAKING BLACK & G.I. PIPES
 - BURR FREE CUTTING CAR
 - PIPE STRAIGHTENING M/C
 - PIPE END FACING
 - PIPE HYDROSTATIC PRESSURE M/C
 - PIPE THREADING M/C
 - TUBE/PIPE & STRUCTURE
 - GALVANISING PLANT
 - PROFILE MACHINERY
 - HOT/COLD ROLLING MILL
 - MELTING INDUCTION FURNACE
 - CONTINUOUS CASTING MACHINE
1. H.F INDUCTION WELDER
 2. H.F INDUCTION HEATER
 3. SOLID STATE WELDER
 4. THYRISTOR DRIVE
 5. TRANSFORMER
 6. SWITCH GEAR PANELS

MACHINES FACILITIES IN NIRMAL

| 23. LIGHT DUTY BENDSAW MACHIE 8" | 1no |
| 24. E.O.T CRANE 5TON | 4no |
| 25. E.O.T CRANE 25 TON | 1no |
| 26. PAINTING FURNACE (HEAT CHAMBER) 20' | 1no |
| 27. SHEET BENDING MACHINE | 3no |
| 28. PCB CARDS TESTING PANEL | 3no |

REGD. OFFICE :

NIRMAL MANUFACTURING AND ALLIED INDS LTD.
1006, HEMKUNT HOUSE,
6, RAJENDER PLACE,

WORKS 1:

NIRMAL OVERSEAS LTD.

PLOT NO. 147, N.S.E.Z. NOIDA (U.P.) - 201305 INDIA

✳ PLOT AREA - 3054 SQUARE METER
✳ COVERED AREA - 2863 SQAURE METER
✳ OPEN AREA.....
✳ POWER CONNECTION - 100 KVA (can be extended up to 500 KVA)
✳ GENERATOR POWER - 250 KVA

THE UNIT IS HAVING MANUFACTURING FACILITY AT EXPORT ZONE IN NCR IT IS 20 KM FAR FROM THE CENTRE OF DELHI THIS IS THE ONLY APPROVED EXPORT ZONE IN NOIDA FROM GOVERNMENT OF INDIA, WE CAN IMPORT ANY ITEM FROM ANY COUNTRY IN THR WORLD AS PER THE S.E.Z. POLICY.

WORKS 2:

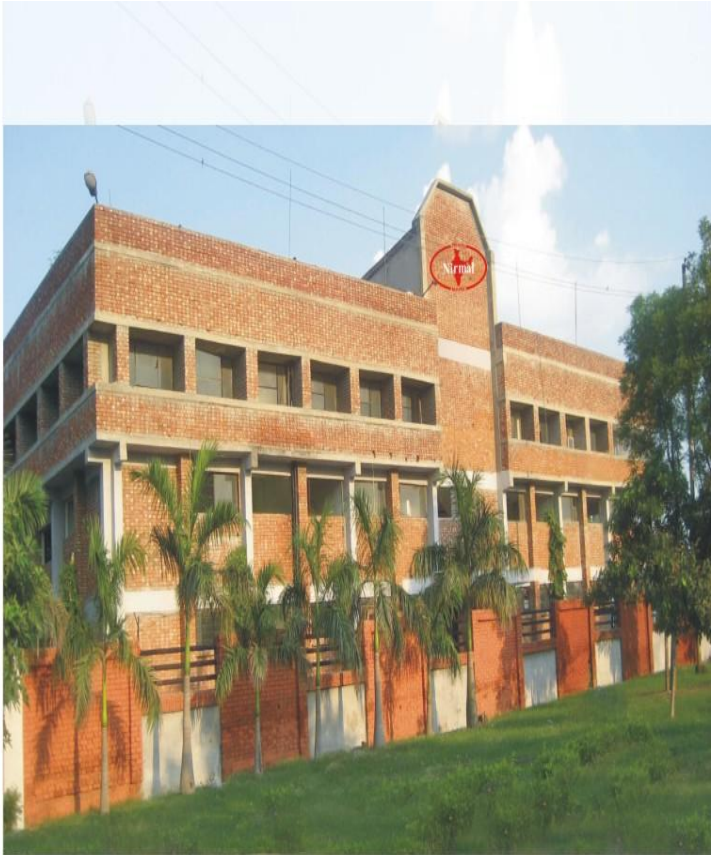

36, KM STONE GANPATI INDUSTRIAL AREA BAHADURGARH, HARYANA

✳ PLOT AREA- 3000 SQUARE METER
✳ COVERED AREA- 2300 SQUARE METER
✳ POWER CONNECTION- 15 KVA

THIS UNIT IS COVERED IN THREE SEPARATE LAND BACK TO BACK AND IS COVERED WITH HEAVY DUTY MACHINES.

CONTACTS :

Contact Person: Mr Varun Aggarwal (Director)
Mob: +91-9871667238
Email: nirmaloverseasltd@gmail.com, Varun.198818@rediffmail.com
Web: www.nirmaloverseas.com

The unit is having manufacturing facility at export zone in NCR it is 20 Km far from the centre of Delhi this is the only approved export zone in Noida from Government of India. we can import any item from any country in the World as per the S.E.Z. Policy.
